योग: कर्मसु कौशलम्

An English Medium Co-Educational Sr. Secondary School
ISO 9000 : 2008

Affiliated to CBSE, Delhi (10+2)
Affiliation No.330286

About Us

The Colonels Academy was founded by Col. AK Yadav (Retd.) in April 2008 in order to provide quality education, and to raise an institution where the students' needs would be the centre of the educational philosophy, where excellence would be stressed by providing individual attention and the overall social development of the children is carefully nurtured. The School prepares children to appear for the CBSE Board examination.

The highlights of our educational philosophy are: we insist on individual attention, be it a small class size, individual counseling or cozy hostel. Instead of emphasizing rote learning, we endeavor to build up the intellectual capability of the child and promote interactive learning. The socialization of the child is very important to us, which is achieved through a well conceived house system, individual counseling and healthy competition. Colonels Academy aims to provide a holistic education and has comprehensive facilities to develop the child's all-round personality. The classrooms are spacious and designed to be equipped with audio-visual aids. In addition, there is a dedicated Smart Class to enhance teaching methods and make teaching learning process technology oriented, and a well-designed computer laboratory, where each student can learn and enhance his computer skills. The library is well stocked with reference, fiction and non-fiction books. It is also equipped with computers to access the internet for reference work. Sufficient space has also been allocated for pursuing various co-curricular and club activities. The music and art rooms are well provided for, and are regularly upgraded. A large multipurpose OAT(Open Air Theatre) is available to host various cultural programmes and daily assembly activities. Sports form an important part of the daily routine in the School and all children are required to take part. The school has several playgrounds and all the required equipment. Residential facilities are available for boys from class IV(Four) onwards.

*Our Principal, **M.R. Chakraborty** is a high profile academician. During his long and illustrious career in the field of school education he taught English in Sanik School Tilaiya for sixteen years. He served in the Novaodaya Vidyalaya Sammiti as a Principal for twelve years and then served in the capacity of Asstt. Commissioner and Deputy Commissioner. The Academy is excepted to make steady progress under his leadership.*
