## Annual Sports Meet of Colonels Academy

The much awaited event of our school, the 11th ANNUAL Sports Meet, was held on 20th, 22nd and 23rd December. Starting off the first day with an inaugural song, dance and a well-coordinated P.T by juniors, the cold started to wear off and a flare of enthusiasm could be seen among the students. The Chief guest, Colonel Nitin Vasant Pundey, Principal sir and the Chairperson ma'am seemed pretty impressed with the performances.

Coming up next were the seniors; Lighting of torch, followed by an energetic March Past set the tone for the young athletes. Then commenced the sports events for juniors, like; 100mt race, sack race, thread-needle race, spoon and marble race, etc. Then come the seniors' turn. While the participants tried their best in events like: long jump, 200mt race, 400mt race and other events, their respective houses cheered them up with all their josh. All the participants showed full sportsman spirit .

All the six houses put up their best to prove their metal. Neruda house got the winners' trophy handed to them, followed by Bradman, Tolstoy, Lincoln, Mandela and Kalam house. The Annual Sports Meet concluded with the distribution of trophies, a speech by our Principal sir and a little bit of fun. It was a great show of enthusiasm and coordination.

### Nature

I dream of a place, far from urban noise,  
Neither car's horn nor the sound of mice.  
The calm river flowing beside me,  
How beautiful it is to see.

Watching the faint sunshine,  
Gives me peace of mind.  
The very beautiful moon,  
Granted with God's boon.  
Watching the beauty of nature,  
Gives me immense pleasure.

### Sun Temple

The Konark Sun Temple was built from Stone in the form of a giant Ornamented Chariot dedicated to the Sun god, Surya... The Konark temple presents this iconography on a grand scale. It has 24 elaborately carved stone wheels which are nearly 12 feet (3.7m) in diameter and are pulled by a set of seven horses. The temple is known for the exquisite stone carving that covers the entire structure. It is the best-known tourist destination in Orissa and has been a World Heritage Site since 1984.

**PRINCIPAL'S PEN**

The school has nothing better to showcase than the Annual Sports Meet which is held in the month of December every year. Not only Sports, the event covers all the diverse activities, the Colians do round the year. So was it the December. It was a sight to see the various houses lifting the trophies they had won, and finally NERUDA House carrying away the Cock house trophy. Even teachers and non teaching staff plunged into action— it was a stunning show altogether. And, besides many more that filled the month from the 1st to the Winter holidays from 25th.

Hard times don't create heroes. It is during the hard times when the 'hero' within us is revealed.

Education means all round development of a child. Keeping this in mind our school hosts SPIC MACAY programmes for us to make us aware of our rich cultural heritage. On 16th December, we were privileged to witness one more cultural programme under the aegis of SPIC MACAY.
